<p>On the above date and time Troop F received several 911 calls of a wrong way driver coming north in the south lane of travel from exit 60 in Madison. The vehicle, a 1993 Saab 9000 color white, passed me on the south side going north near exit 62. I went to exit 61 and proceeded north in the northbound lanes. In the area between exit 63 and 64 I came upon the vehicle traveling at a high rate of speed still in the south lanes traveling north. I had my siren and takedown lights activated, however, the operator did not respond to my presence. I then used my spotlight to illuminate the operator and was able to see him clearly, but he still did not respond to my presence. Several other Troopers shut down the highway beginning in the area of exits 65 and 66. The operator disregarded the Troopers and continued around their cruisers and then exited the Highway at exit 66. Officer O'Brien of the Clinton Police and I were able to block the vehicle in at the intersection of Rt 166 and Rt 1 in Old Saybrook. The operator resisted arrest violently kicking and swinging his arms at Officers and not complying with our commands. A subsequent search of the accused's vehicle did uncover a suspected marijuana pipe, but no other contraband.</p>
